

Richmond Pledge to End Racism Workshop

The *Greater Richmond Pledge to End Racism* is a personal pledge based on the Birmingham Pledge "To eliminate racism and prejudice, all over the world, one person at a time." And it's more than that, because a personal pledge cannot stop there. One person cannot dismantle systemic and institutional racism by themselves. They must do it in concert with other committed people.

The *Greater Richmond Pledge to End Racism* is a community-wide effort, sponsored by First Unitarian Universalist Church of Richmond, and organized by *The Greater Richmond Pledge to End Racism Steering Committee* to address racism in all its forms. Its goal is to develop confidence and competence in identifying and addressing issues of racism wherever it lives.

As part of this workshop, participants will develop a community of support and an understanding of how to use support in deepening their work in building a just and equitable multicultural world.

Who's this Class For?

- For people who have engaged in other anti-racism/multiculturalism training, this workshop is designed to take your understanding and your competency to a deeper level, connecting you with other community activists.
- If you've never taken a class about racism, this workshop will challenge you to invest in and deepen your learning so you can put yourself on the road to intercultural competence.
- Teams from faith communities who want to bring the Richmond Pledge to their congregations.

WE INVITE YOU TO JOIN US IN ENDING RACISM!
